

ILLINOIS AGRICULTURAL EDUCATION

TEACHER GRANT PROGRAM

Summary

Agricultural Education Teachers who entered their first year into the workforce in the current school year as a traditionally licensed educator are eligible to apply for this Five Year Grant Program which will provide an increased level of supplemental personal income over the course of the program. It is the goal of this program to encourage Agricultural Education Teachers to continue in the profession and help bolster Agricultural Education in Illinois.

Each program year, four Agricultural Education Teachers will be accepted into the grant program. Upon successful re-application, which includes meeting annual eligibility requirements, each initial awardee will receive additional increased grant awards for the next four years of their teaching career, receiving up to \$10,000 in total. *Recipient of Grant is responsible for reporting the grant as taxable income. Recipient will be required to submit an executed W9 prior to receiving grant funds.*

Years as Teacher	Annual Grant
YEAR 1	\$1,000
YEAR 2	\$1,500
YEAR 3	\$2,000
YEAR 4	\$2,500
YEAR 5	\$3,000
TOTAL PER TEACHER	\$10,000

Eligibility

- *Open to first-year teachers that are full time with a minimum of 50% agriculture related courses and activities.*
- *Open to traditionally licensed (Professional Educator License-PEL) teachers with an Agricultural Education Degree from a four-year university*
- *Must be teaching at a school in Illinois*
- *Must maintain an IAVAT membership*
- *Must intend to continue on a successful path as a High School Agriculture teacher in Illinois*

Continued Program Eligibility

Once admitted into the grant program, candidates are eligible for an increased grant for the next four years. Criteria for continued eligibility include:

- *Must maintain traditional license (Professional Educator License-PEL)*
- *Must be teaching full time with a minimum of 50% agriculture related courses and activities*
- *Must be teaching at a school in Illinois*
- *Must maintain an IAVAT membership*
- *Must show continued growth and success addressing short and long term personal and professional goals*

Application Procedure

Eligible teachers will receive an invitation link to apply. The application will be completed online. Applicant will need to provide a reference from current high school administration, as well as an additional character reference. Both will be attachments submitted electronically on the last page of the online application.

Award Criteria

Eligible teachers will be reviewed based on the following criteria:

- **Commitment to Agricultural Education** (IAVAT committees, teacher professional development, commitment to the profession, and to professional growth)
- **Financial Need:** Consideration to both personal and school finances
- **Future Program Goals:** Development of short-term and long-term goals and objectives for local program

Timeline

- *Application window will open each April*
- *All eligible 1st year through 5th year teachers will be contacted directly (in April) with an invitation to apply*
- *Application must be submitted online by June 1st no exceptions*
- *Successful candidates will receive first grant award in August*
- *Once admitted into the grant program, candidates are eligible for an increased grant for the next four years. Candidates will receive a re-application link each April and be reviewed based on the above criteria.*

Partners

The IAA Foundation, Illinois Farm Bureau's charitable arm, is pleased to serve as grant administrator for this project. Program partners with Facilitating Coordination in Agriculture Education (FCAE) are also providing advisory and technical assistance to help ensure program success.

The need for an Ag Teacher retention incentive program was first identified and realized through Illinois Farm Bureau Strength With Advisory Teams (SWAT). With a generous initial contribution from Illinois Farm Bureau, the IAA Foundation can begin implementing this grant program while also seeking additional funding partners to fulfill this planned twelve year initiative.

Contact

For additional information on application procedure, or to become a funding partner, please contact: Susan Moore, Director, IAA Foundation 309.557.2230 smoore@ifb.org.

This growing partnership to recruit and retain the best and brightest to teach the next generation of agriculturalists in Illinois is supported by:
