

The **IAA Foundation** enhances the future of agriculture by offering college scholarships to Illinois farm families, Illinois Farm Bureau members, spouses, and their children who major in agriculture-related courses of study. The IAA Foundation is pleased to administer scholarships on behalf of families and agriculture partners who wish to support students and help assure a well-qualified, professional agricultural workforce in Illinois.

For 2025, the IAA Foundation is pleased to offer 120 awards ranging from \$1,000 to \$7,500 and totaling \$210,251 in support.

APPLICATION PROCESS: Application and guidelines can be found on the IAA Foundation [website](#), along with a full listing of eligibility requirements and a *FAQ* section. For additional information email jsmith@ifb.org. Applications are available on January 1 and must be electronically submitted by **11:59pm on February 15, 2025**.

GENERAL ELIGIBILITY: Applicants may be previous recipients of an IAA Foundation scholarship, though certain scholarships restrict the number of times an applicant can receive an award. All applicants must be a high school graduate or be graduating in 2025 and must be accepted for enrollment or currently be enrolled at an accredited college, university, community college or trade school. While applicants may apply for multiple awards, they can only receive one scholarship per program year. Applicants may not be a spouse, child, sibling, grandchild, son/daughter-in-law, of an IAA Foundation trustee, employee, or current member of the Illinois Farm Bureau Board of Directors.

***Carefully read each scholarship for specific requirements, limitations, and guidelines.**

CRITERIA FOR SELECTION: In addition to individual scholarship eligibility guidelines, selection of recipients is based on: Activities and Involvement, Financial Plan, Essay Response, Personal Statements and in some cases, Academic Performance.

TERMS: All scholarship funds are sent to the designated institution prior to the beginning of the academic year and are applied to tuition and fees. Recipients are not restricted from pursuing and accepting other forms of financial aid, assistance, or tuition waivers.
